

VEGETATION MAINTENANCE IN BRIDLEWOOD

Hydro One will complete vegetation maintenance between Bridlewood MTS and Point R Junction at Goldfinch Drive. We expect work will begin in late-November or early-December, and take one week to complete, weather permitting.

Work will include the mechanical removal of trees, brush and stumps as well as the manual trimming and removal of trees.

If work is required on or adjacent to your property, a Hydro One Forestry Services Representative will contact you in advance.

For more information, please contact Hydro One Community Relations **1-877-345-6799** or **Community.Relations@HydroOne.com**
