CONSTRUCTION NOTICE

August 2017

Dear Resident,

In mid-August the City of Ottawa will begin construction work in your neighbourhood. This work is being conducted to improve and add to the sidewalks in your community.

Who: The Contractor, Ottawa D Squared Construction Ltd., will be performing the construction work for the City of Ottawa.

Why: Due to the age and condition of the existing sidewalks, the City of Ottawa will be proceeding with their replacement on Anik Way and the west leg of Chimo Drive between Anik Way and Katimavik Road. New sidewalks will be added on the east leg of Chimo Drive between Katimavik Road and Amundsen Crescent.

What: Work will involve the removal of existing sidewalks and construction of new sidewalks. During the construction there may be temporary lane reductions during off peak hours and parking restrictions along Chimo Drive in the vicinity of the work to take place. During the construction there may be temporary lane closures and parking restrictions along Anik Way.

When: This work is planned to begin in mid-August. Completion is anticipated by the end of September.

Where: (1) Anik Way (east side) between Chimo Drive and Kakulu Road, (2) Chimo Drive (west leg) between Anik Way and Katimavik Road and (3) Chimo Drive (east leg) between Katimavik Road to Amundsen Crescent

Accessibility

Accessibility is an important consideration for the City of Ottawa. The City makes every effort to provide access through and around construction sites. If you require special accommodation, please contact the Contractor's Representative or the City's Project Manager noted below.

Construction Disruptions

The Contractor will take every precaution to minimize interruptions to the everyday life of your family and/or operation of your business, but, as you can appreciate, there may be some inconvenience during the course of the work, such as traffic delays, parking restrictions, and noise. We would like to thank you for your patience and co-operation.

NOTICE TO RESIDENT

Impact on the Right-of-Way and Adjacent Private Properties

The reconstruction is within the City's right-of-way but may result in some disruption to part of the private property directly adjacent to the work. Lawns, pathways, gardens and/or driveways may be disturbed. The affected areas will be reinstated as soon as possible after construction is completed, at no cost to you. However, if you have plants or any other assets located within the City's right-of-way that you want to preserve, we suggest that you may want to move the plants in preparation for the construction work.

Contact Information

For any emergency outside normal working hours on weekdays and weekends, please call the City at 3-1-1. For further information about this project, please contact the City's Project Manager.
